Title: Button Tales - Original Soundtrack

Genre: Casual

Developer:

Anvate Games

Publisher:

Anvate Games

Release Date: 4 Jan, 2017

b4d347fde0

English

I really love the music for this game. It's peppy and upbeat without being cloying. One of the very few game soundtracks (along with Card City Nights and Gemini Rue) that I enjoy listening to even apart from the game.
